0.1 *Language of Life* for quantifying biouncertainty in models  
 0.2 evolving a vision for a pure language – as in Zephaniah 3:9

**Mission: Simplify accurate modeling with a**

**Vision:**

1.2 pandemic-resisting, jubilee-warranting,  
 1.3 **century-stable extensible humane**  
 1.4 **computer-language for biology**

2.1 to grow **Trees of Life**-giving decision-making  
 2.2 for **Zoning Investigating Organizing Navigating**  
 2.3 for **Easing-into Parity-preserving Info-analytics**  
 2.4 for developing the mental wealth of all nations

3.1 to serve long-term stable innovation economies  
 3.2 which self-organize and self-stabilize through  
 3.3 self-imposing **7 Change Adoption Stages** that  
 3.4 enforce social ergodicity for everybody across  
 3.5 all **7 Track Social Roles**, all of which is essential for  
 3.6 building a nested **Shabbat cathedral** in time, which  
 3.7 is essential for meaningful regular **Islamic-science**  
 3.8 **jubilees**, which **Moses and YahwShua** called for

4.1 to avert **datageddons** that cause the **Wrath Theorem**  
 4.2 of **Armageddon** to self-assemble **disaster pileups** of  
 4.3 the **7 Death Urn Incinerator** types, each of which can  
 4.4 ultimately destroy any world of innovation that fails  
 4.5 to stabilize itself through meaningful regular **jubilees**

5.1 to cut all overreaching, best reduce oversimplifying,  
 5.2 and ideally avoid overcomplicating **Over the Long Term**  
 5.3 by aiding **wide interdisciplinary diversity-encouraging**  
 5.4 **\wid-e** modeling of **Reality** that learns from the **Moon**  
 5.5 how to serve as a model of the **Sun** without ever con-  
 5.6 fusing with true **Reality** any modeling result from the  
 5.7 unavoidable but perishing **Tree of Knowledge-faking**,  
 5.8 in order to train all to respect **nothing**, fear **nothing**,  
 5.9 and fight **nothing** such that **nothing** gets killed

6.1 to guard all meaning in jubilee-recrushing **biodata**  
 6.2 via **Measuring-Min, Measuring-Max, and Testing-Traces**  
 6.3 in **Staybilizing Versioning BEST Names POST Systems**  
 6.4 that serve **Places of Decision** and research **PoDs** in  
 6.5 open shared **Data Oriented Insight Storage Clouds** that  
 6.6 cut disastrous errors in global versioning time travel

7.1 to evolve each *Homo transiens* into a *H. balospe* who  
 7.2 is committed to build and guard all learning planets via  
 7.3 **Integrating Differentiating Evaluating Analysis Linking**  
 7.4 **Feedbacks Logs Aims Models Efforts Systematizing**
