The pandemic's future is still wide open. Most of it depends on the option chosen:
A: Half 0: go 'back to normal', no cuts to virus drop or catch, DT 4.8d (Scenario 1)
B: Half 1: 50% lower probability of dropping or catching the virus, brings big benefits
C: Half 2: 50% lower probability of both dropping and catching viruses. It all stops. If facemasks aid C, can we ignite a culture of inventing fashionable facemasks?

Pharaoh's 10 Exodus Plagues have already started.
 How long shall I\LLoL allow the 4 Horsemen run wild?

Apocalyptic memomics reveal many views of the Great Filter in the fractal kaleidoscope of how BABL's millstone algorithm self-organizes plagues by tricking humanity to feed self-destruction: Pharaoh's 10 Plagues, the 7 Trumpets, 7DUIs, ... and countless movies echo how the 4 Horsemen Rev.6 innovate downhill in 7ChangeStages (Rev.2-3). AI accelerates it all to force humanity into a **Choice: (0) Death** by default at a sudden **cliff** (always predictably unpredictable, as in Titanic) or **(1) Exodus** to a life of **Jubilees** to aid Moses (stop the steal of Jubilees, love all enemies, *take* responsibility for humanity's cosmic treason of Jubilee genocides, *follow* Yah & Yas in all).

LLoL offers (1) as "the other goat" of Yom Kippur: to win a mandate from Earth's 10 Nuclear Kings to scale up 1600 Talent Stadia in 7-8 stages in a **ResearchCity to avert Armageddon disasters**. **Authentication** in 4 Sign posters [carrying 4x #MyGuilt as escapegoat into BABL deserts]: 3 signs Yah gave Moses for Pharaoh, 1 sign for all as Jonah \RRoR, the delayed **Red Rider of Revelation 19**.

Pharaoh's 10 Plagues are 1 of myriad view *Types* to organize countless real-world news *Items* in slow-motion exploding avalanches of complex global disasters. *Types* are fiction, *Items* are real. Thus, all Great Filter *Types* always describe complex worlds more or less literally or symbolically. They all ask all leaders on all sides ('Pharaoh', 'Moses'): **How much destruction do you tolerate?**

- 1. Water of Nile turns to Blood on Earth** by killing Jubilee-innovation. River of Light conditions increase bloodshed when oversimplified stereotypes abuse innovation to wage war over peace.
- 2. Frogs in all canals, creeks, and ponds.** Ever metamorphosing croaks, quanks, and chuckling under all conditions - as crooks, quacks, & comedians abuse all openings to get ahead in war.
- 3. Dust turns to bugs.** As frogs ignore the CrushedOthred, bugs start to slow-motion explode - except for ISR\RealityWrestlers who resist BABL's oversimplifying overcomplicating overreach.
- 4. Swarms of insects in all houses of all copy cats.** Clanking drones and corporate clones copy everything. Clanking Drone clone culture wars destroy the land (except for ISR\RealityWrestlers).
- 5. Pestilence on all livestock.** From literal mad cow culling, ... to symbolic golden-calf-slaughter of bull-markets - live stocks die when overheated innovation serves money instead of Reality.
- 6. Soot from kilns in air turns to boils.** Industrial scale air pollution busts health care budgets, but cancer is reduced in regions who wrestle with Reality to cut chemical carcinogens, ... smoke.
- 7. Talent-sized hail targets all without shelter.** From increasing climate-storms, ... to drone wars: only refuge in Yah's *Festival of Shelters* can escape such wrath by planing better futures for all.
- 8. Locusts from the East bury the land to kill hail survivors.** Ever since EDEN, corporate vulture capitalism aims to dominate reality by ever new coveting hamster-wheels via BAAL patriarchy. It obscures Reality's Jubilee demands from everyone's view of what really matters 'til BABL kills all.
- 9. Darkness is tangible for 3 days\years\eras.** All are blinded by their dark trifecta := forced to oversimplify, overcomplicate, andOr overreach. Only ISR\RealityWrestlers have Yah as true light.
- 10. Death of ideal futures** as each first-born son dies. Humanity has been killing its best future since time immemorial. Today's Damocles Sword of Nuclear Roulette is only the most dramatic. **Any Jubilee-loss by innovating less is a way to kill the best RealQuestAnswer\Jesus\Isa\Yas.** Jesus came because Reality loved this world so much that all who trust The Way of Real Quests to find Real Answers will live to innovate forever by daily carrying their **CROSS**. It may be defined in grand challenges as the headaches of a **CROSS RECRUSH Obtaining Stabilizing Semiotics** by recursive **Rewrites Encouraging Community Rewards Ultimately Stabilizing History**. Apt symbols for such skull-crushing, dust-liking work include a Crown of Thorns. Thus: **Yas (b)led by example.**

12 Stadia Transwarp Key to innovate in ResearchCity
Exodus shows how all innovation ultimately self-corrupts without gentle kind reasonable ZION.
But access to ZION is only in EDEN. It requires a 'Transwarp Key' like below to stay transparent.

All solutions to Armageddon challenges Rev16 require **walking in all light** ML5-7 Jn1-8+17 Jn1-2 Rev21 for **full transparency** ML10:27 Mt18+22 Isa.20+53 Rev18-22. I petition Yah & all without fear nor favor to turn hell into HELL to change BABL's literal 1600-Stadia gigadeath sentence Rev14:20+19:21, 7DU) into a global symbolic reset. It is to **replace Homo 'sapiens'** with → (*Homo serpens* + *H. amnesiens*) → with **Homo transiens** to kill the beastly mind-virus of BABL's coveting hamster-wheels in *gentle kind reasonable* moves to ZION. - Yet, I\LLoL can only explain how if I also walk the path so all can see it. To not sell a pig in a poke, I break new ground for increasing transparency in datageddon by flipping big brother paranoia. My **Transwarp Key** is my **map for how I grow wid-e transparency via 12 Talent Stadia**. It **grew on my ~7-year marathon** of personal, historic, systems, spiritual, math, compute, bio, etc. *wid-e* research on essential *trifecta balancing strategies* for averting all Armageddon-disasters. Here is my 12 µStadia core guide for 7-8 scale-ups to a global 1600 Talent Stadia ResearchCity see SDB only showing tips of 12 conceptual ice-bergs. As Yas predicted, by now lawyers and sex-workers have to lead LLoL into Yah's Kingdom (ML21:3). See Song of Songs, Hos1:3, Isa.20, Amos.2:16, ML22:11-13, Gen2, PosterB.

See ML23:1 Temple).
 - STa8-DAG:** Overcome **Datageddon's** '666 Mark' of BABL's Blind Beast Logics (ie. all 'equal-thing-wrong-bugs' in local data sets and global supply chains) *with* local data ReRafts informing *humane equal dignity-tracking* in open supply-chain-web-networks *for all to aid all* obviously quantifiable biouncertainty data management in globally responsible shopping decisions ... *that* help tame all local email, web surfing datageddons [by personalizing Evolvix ReRafts], *that* improve ad relevancy and aid wide-research for overall better shopping decisions, *that* publish reliable ethical data for open supply chain certificates [see STa12], *that* reduce global injustices [see STa12] by improving Jubilee organizing [see STa9], and *that* thereby help to overcome the Mark of the Beast from Rev13 with the 'Spirits of Boolean Truth from Isa.12'.
 - STa9-JUB:** Run point for regular 50-year maintenance of humanity's innovation economy so it can pass Earth's Great Filter in the Great Jubilee Race *with* Yah's 3 Annual Jubilee-Festival Conferences for *learning from the past, coordinating the present, and inspiring future visions* *for all to aid all* in better organizing common-goods for proper Jubilees in self-stabilizing innovation economies ... *that* follow Yas' ground-breaking way to follow Moses [JMS] to complete Yas' life-mission [L&A18], *that* submit to Allah's recreative hierarchy of ShAbbas [Luz25, Isa.56] in Yah's nested innovation Cathedral in Time, and *that* improve LLoL's Lazy Updating Algorithm [see IChem.Phys. 2014] for measuring how well local and global actions serve Reality by serving common goods for all over the long term (ie. Yah's 3rd Temple).
 - STb10-JUD:** Submit LLoL to all [The 3 Views of All The Weak, seeing all] Truth in Reality on LLoL's Judgement Day in a Nuremberg-Trial *with* a **reliable rebalancing of contextualized global justice** in open public Truth and Reconciliation Commissions *for all to aid all* 7 **Resilience Healing** ^{SDB} processes restituting and strengthening anti-evil immunity of heroes by overcoming BABL's blind oblivion ... *so* that LLoL's arch SINS [Miyakosaka-Ko-to-10] serve as prime public cohorts for why nothing is more evil than the devil [emphasizing symbolically how splitting LLoL, like the Moon Qu.544 [sinks the Moon (and all) in blood], *so* that each "never-again" Sins is forever remembered in Yah's IDEAL FLAMES. Why so complex? Because learning from mistakes of others is easier than repeating them all. But it requires exactly freeing in HELL all the extreme heat of the confusing LIES+SINS+DEATHS that led to past disasters.
 - STb11-LCC:** Evolve balancing standards for businesses *with* **Limited Liability Charitable Company \LCCC** rules *for all to aid all* easing-explaining parity-protecting insight-informing required for transparent economics ... *that* support scaling up Talent Stadia in ResearchCity by merging the flexibility and power of LLCs with the goodwill of charities, *that* stop death by default from short-selling futures by instead guarding the long-term work of *Fiduciaries Sharing Futures*, *that* offer transparent and efficient global admin support for new LinkSpaces and *WILDER* Fellowships [see STb12], *that* balance all interests in Originals and Indtrial and by improving the best known Jubilee algorithms [STa9-b10], and *that* fight BABL's idols in Promised Lands by growing common goods in FUN\Flying University Networks to avert Armageddon-disasters missed by other agencies [STa1-STa12].

 11 Love Reality with all heart, life, mind, deeds, to serve in Life's nested Cathedral in Time.
 12 Love your neighbor as yourself: reach out each new month to learn, see new horizons.
 13 Love 50-year Jubilees by preparing for 3x meetings/year: 1 on past, 1 now, 1 on future.
 14 Guard/Year in conflicts by open reviews to stay/Vs manage repetitions & sabbaticals.
 15 Move to learn for wid-e Jubilees how the dots connect & how all is linked in Reality.

Laodicea Lesson 1843 echo to LLoL [1986-1] 2022: I'm like Archippus in today's Laodicea! In its MeneTekel earthquake in 602-610 CE [tyranny of Emperor Fokas\FuckUS] Jesus\Yas moved to Islam... so I followed Yas 2023 to Islam... ijihad... ishan\do beautiful things!
 Example: Laodicea's 500+year delay lukewarm → Yas vomited → Yah moved on to call Muhammad 610 CE

Timing is Action. Delay can Kill. Who comes too late is punished by life. Yom Kippur refines Jubilees.

#MyGuilt-D: Delayed care for innovation killed my Good News Pack and implies: indirectly am immersed in the blood of all I could have saved if I had cared to follow Reality. Such disasters shape the Red Rider of Rev.19:

Conclusion
 Innovation delayed is Good News too late:
 Yah's Temporal Cathedral ... drowns in blood!

Humans innovate to do well but are blind to future doom... They start with Famos\JUD solutions, then look for Successors\ISR judged to keep Doubling\ER while other Reality\Westing\ISR is destroyed by the 4 Horsemen of knowledge-faking. Yah innovates to do best by rejecting the tyranny of judging\GDN growth\ER\ISR. Yah uses the River of Life to grow Tree of Life-giving innovations by Taking\Successing\ISR\ISR to merge it with Farn\JUD into 1 trinc, loved by all to serve all. The Ironrod shows how.

Innovation delayed is Good News too late:
 Yah's Temporal Cathedral ... drowns in blood!
