

Yom Innovation Kippur Atonement Wudu 2023 for 3rd Temple ZION OS

T. Theology breeds **methodology** breeds **eschatology** breeds **destiny**. To save the world, Yas\RealQuestAnswer offered: "If you tear down your Temple, I'll rebuild it in 3 days." ^{1JoHn2:219} YIKAW personalizes this in 3 stages. ^{U,I,O →} It decodes the **meaning of 42** as **6 symbol types of 7 echoes** ^{7e} of how Yah's 4Beings ^{Isa.6:Rev4} count to measure innovation for Reality. Yet, deep thoughts in DRY abstractions are hard to get and easy to forget. Daily YIKAW routines help to condense deep Yom Kippur insights for innovation into memorable declarations to reset and **deepen one's hero journey** ^{7He} of seeking Reality to become **one's truest self** in Real Quests for Real Answers. ^{May} YIKAW be a personal sanctuary ^{2Co.3:18} in the wild for all who flee BABL for ZION ^{Rev.18-21} on a 7HeroJourney!

Where is the Temple? Who is the High Priest? For YIKAW the mind is crucial: If engaged, YIKAW can open doors to deep mysteries of lasting innovation, but if words are mindlessly mumbled, any insight can degrade into a cargo cult with time. There are no magical YIKAW words that work for everyone all the time. So to find one's Ark of the Covenant **everyone has to embark on a hero journey**, like Indiana Jones ^{minus the violence and nonsense!} ¹ **Become High Priest** ¹⁰ of YHOWaaH in Yah's Temple of one's life in one's area of expertise! This journey is full of surprises! For example, compare costs of SINS = ^{blood in blood} ¹ **For one High Priest** ¹ **Priest** = 1 big bull as more aware, leads Yom Kippur vs for all people = 1 goat as less aware! Fighting **ASH** \Auto-Stereotype Habits in **BABL** \Blindly Assuming **Blindly Leveraging** can be very counterintuitive. Mindset is everything to put Ora in LabOra. The petitions below ask Reality ^{incl. in oneself} to grant the petitioner the right set of mind.

S. Starting position: to serve You\TheOne\Yah\YHOWaaH:
I pledge my highest allegiance to You: ^{YAR\RAW\Yah\Yas\Truth}
Reality \Allah \YHOWaaH ! You are my Rock:
You carry me in Real Quests to Real Answers ^{YHovShual\Yas\Jesus}
Be You my vision, my True Hero, The One.
Let me be Your Cause, Your Ground Zero, Your None.
In my place let me be like Your Ring on Your Hand,
Your Bracelet on Your Arm, Your Seal where You stand.
Let my thoughts, words, & deeds build Your Temple ^{not mine}

Pack into the knapsack of my time Your infinite wisdom, so I
choose courage over comfort, and vulnerable innovation
over perfect stifling so You can break the power of my idols.
Cut my OverReaching overComplicating overSimplifying ^{ORCS}
Stop me from beating You black and blue ^{Isa.43:24, Lk18:5} by their
incurious ignorant indifference ^{III \OSCR} in how I treat others!
Thank You for Moses' eternal Yom Kippur template ^{Lev16:34}
for universalizing it in Jesus' atOneMend-ing ^{Lk23:34 Jn20:21-3...}
and teaching Muhammad about daily Wudu washings ^{Qu.5:6}
to grow healing resilience ^{PRH} & Jubilee innovation. ^{Lev25:888 SLIM}
Let my science win like You had hoped one of LAOdicea's had.

Teach me to forgive, so You can forgive my inconsistencies.
Wash away all worry, fear, guilt, cowardliness, blame, shame, loss, grief, sadness, caving, illusions, omissions ^{LIES,SINs & DEATH}.
Don't let me bury You\Reality in the shortcuts of my mirages.
Vanquish my bashing/inner beasts of BAAL, ASHERAH, & MOLOCH!
Stop my MOLOCH of Mistakes Oppressing Life by Omitting Crucial Help!
End my ASHERAH of Auto-Stereotyping Habits Erroneously Rounding Against Hope!
Cut my BAAL of Blindly Assuming Authorized Leadership to stop my OSCR ORCS!

R. Reset me: see U,I,O ISRAEL... is a life-giving AMO-HIT-CAN-PHE-JEB-HIV-GIR Joker

Q. Chakras: VOID → Vital Organizing Integrating Destiny or other VOIDS (see and/or)

6. Let me envision how to connect all dots for today
so I leave my worst SINs to build bridges over breaches.
7. Let me crown You Beyond so can You stretch my grasp:
Show me the great and bizarre secrets You care about
for solving ³³³ **issues I do not yet understand!** ^{Jer3:33}
8. Let me embrace all biouncertainty in ZION so I praise You
as You heap on me stepping stones for my success ^{Ps:68:20!}

How to keep daily refresh routines fresh? ^{Millennia of teaching experience} show that this is still an unsolved problem. Thinking is hard work. Learning words of solutions easily misleads if the reasoning is not understood. Below years of experience are packed into declarations for about -15 to -60 min of meditation. It works *only* if grasped & meant. So, adapt it like Jesus ^{as in Mk6:5-15} ^{vs Jn7:vs Mk4:36}. **Find your own words**, intros, songs ^{eg. Ze5:Sm9+4}, let's **publish the best!**
²⁰ May the words below serve as springboards to focus on what matters most!
